

From The President Desk

Message

I am extremely happy to know that Chhattisgarh Nurses Registration Council is going to launch its website. This will help Nurses and Nursing Institutions to get up to date information of resolutions, rules and regulation of the Council. It will help to avoid unnecessary paper correspondence and visits to Council Premises.

It will also be possible to verify Nurses registered under Chhattisgarh Nurses Registration Council Raipur from anywhere in the world. Using IT will make registration process much easier.

I heartily congratulate Chhattisgarh Nurses Registration Council for launching this website.

With Best Wishes

Dr. Kamal Preet Singh (I.A.S)
